DOT TRANSPORTATION ENHANCEMENT PROGRAMS GRANT - TEP

Chris Nill presented the Planning Board with information to develop a pedestrian/bicycle trail along the outlet through the sewer right of way.

These are Federal Highway funds managed by the DOT. Chris stated the terms, local match, and length of time to completion. The deadline for the application is June 30, 2006 and the village will be submitting an application. Recipients will be announced in November.

Chris Nill requested that the Planning Board be on board for this opportunity. Also a Parks and Recreation grant that has a deadline in November would compliment the funding with the TEP program.

A committee will meet on Tuesday, June 13, 2006 to further discuss the TEP funding and possibly a walk along the trail to procure further details.

The Planning Board is in full support of this project and will send a letter to the mayor stating so.

Due to the July 4th holiday, the next Planning Board Meeting will be Tuesday, July 11, 2006 at 7:00pm. Meeting adjourned on motion at 7:50 P.M

Respectfully submitted,

Rita J. Gurewitch
Deputy Clerk/Treasurer
