## RAILWAY CORRIDOR DEVELOPMENT PLAN

There will be an **OPEN HOUSE** at the **Town Hall** (crnr of Route 96 and Co Rd 7) to gather your input on the issues and opportunities associated with rail-oriented development in the Town of Manchester and Villages of Manchester, Shortsville and Clifton Springs. It's **Thursday, September 17, 2015 from 6pm to 8pm**. The Plan will establish the vision and policies for land uses along the rail corridor and coordinate with the comprehensive plan update. This study is being done as a partnership between the Town, Villages and the Ontario County Planning Department (OCPD) with a grant from NYS Department of Transportation. If you have any questions, please contact Maria Rudzinski, Senior Planner, OCPD, at 585-396-4416 or [maria.rudzinski@co.ontario.ny.us](mailto:maria.rudzinski@co.ontario.ny.us). ## FROM THE

### CODE ENFORCEMENT OFFICER

Many summer projects may require a building permit. Please contact me to see if a permit is necessary before you begin. This includes swimming pools two feet high and over, hot tubs, decks, sheds, fences, and roofs (just to name a few). All of which are regulated by building codes.

Call Steve DeHond, Code Enforcement Officer, at 289-3010, Ext 107 with any questions.

### FROM THE DPW – FLUSHING HYDRANTS

The Department of Public Works will be **flushing hydrants on Tuesday August 04, 2015 starting after 9:00 am**. This practice is mandated periodically by the NYS Department of Health to exercise and clean the system. The water may be riled and the water pressure low for 24 hours.

-----CLIP & SAVE-----

**BRUSH PICK UP:** The village will pick up brush on the **first AND third Thursday of the month**. Please try to coordinate putting your brush out in the corresponding week that it will be picked up. Branches are to be no more that 10 ft in length with a diameter of no more than 5 inches. Please place branches in an orderly manner in one direction. This is a service for residents. If hiring a contractor, it is the contractor's responsibility to remove the brush. Note that brush pick-up runs from April to November.

**Also**, mark your calendar that you can start raking your leaves to the curb (still on the grass, not in the gutter) the week before Halloween, as we will start the leaf vacuum at that time for the season.

### Water Conservation Tips

Conservation is an important first step in preserving our water supply. Using these measures can also save you money by reducing your water and sewer bills. Here are a few suggestions.

Conservation measures you can use inside your home:

- Fix leaking faucets, pipes and toilets.
- Install water saving devices in faucets, toilets and appliances
- Replace high water use fixtures.
- Wash only full loads of laundry.
- Do not use the toilet for trash disposal.
- Take shorter showers.
- Do not let the water run while shaving or brushing teeth.
- Run the dishwasher only when full.

You can conserve outdoors as well:

- Water the lawn and garden in the early morning or evening.
- Use mulch around plants and shrubs.
- Repair leaks in faucets and hoses.
- Use water saving nozzles and sprinkler heads.
- Use water from a bucket to wash your car and save the hose for rinsing.

### 9/11 REMEMBRANCE FLAG

The background - The blue on each side of the flag represents the color of the state flags for each state where a plane was downed – New York, Pennsylvania & Virginia. The black in the center of the flag represents the sorrow we feel for the innocent lives lost from this tragedy; those on the planes those working in the towers, the Pentagon, and the rescue workers whom lost their lives during the rescue.

The stars – The stars represent the 4 planes that crashed and the innocent lives lost on those planes and in the buildings. The blue star represents the Pentagon & American Airlines Flight 77, and for the innocent passengers and the lives lost in the Pentagon. The 2 white stars represent each of the towers at the World Trade Center, American Airlines Flight 11 and United Airlines Flight 175, the innocent passengers on those flights,

the lives lost (both those in the buildings and the rescue workers) and those that survived. The red star represents United Flight 93 that crashed in Shanksville, Pennsylvania, the innocent passengers, and those who sacrificed their lives to protect the loss of other innocent lives. The color of the stars (red, white & blue) is representation of our United States flag. All 4 stars are touching, as well as the 2 white stars to touch the blue in the flag – this represents our ‘unity’ in the United States.
